

Year 2

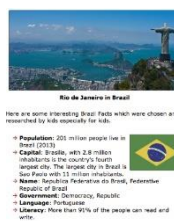

Summer Term Two Homework Project

What is it like in Brazil?

Our homework project this half term will be related to our Geography topic. This will be an opportunity for children to find out about what it is like in Brazil or, more specifically Rio de Janeiro.

Please ensure that homework projects are handed in by Friday 12th July. These will be shared during the last few weeks of term. I would like you to use materials that you have at home to make one of the following:

1. Create a fact-file, fact cards or a poster about Brazil or Rio de Janeiro.

You can draw your own pictures or you can print pictures (with parental permission) off the internet to use in your fact file, fact-cards or posters. You could also use collage to create a picture,

2. Create a model of a Brazilian wonder, such as Christ the Redeemer, Guanabara Bay in Rio de Janeiro, the Amazon River or the Amazon Rainforest, Sugar Loaf Mountain or Iguassu Falls.

You could create your model using papier mâché or old boxes

I cannot wait to see all of your projects. Please hand them in by Friday 12th June. Thank you.

Or create your own idea as long as it is related to Brazil.
