

Year 4
Autumn Term One Homework Project
The Anglo-Saxons

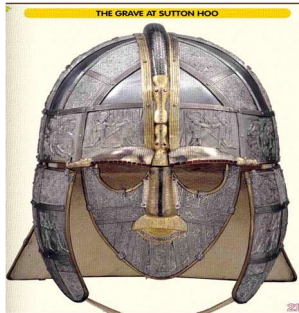

It is time to get creative year 4. I would like you to use materials that you have at home to make one of the following:

1. Make a model of an Anglo-Saxon hut.

Or create your own idea as long as it is related to the Anglo-Saxons!

2. Create a model/drawing of a battle helmet.
3. Create a map highlighting the 7 major kingdoms across Britain.

I look forward to seeing your amazing projects by **Wednesday 16th October.**
