

Year 3

Autumn Term One Homework Project

The Stone Age

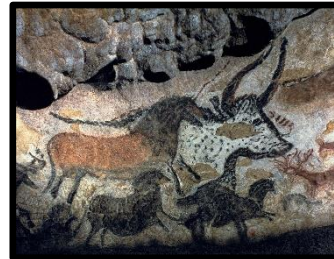

It is time to get creative Year 3.

I would like you to use materials that you have at home to make one of the following:

1. Make a model of a Stone Age home from Palaeolithic, Mesolithic or Neolithic period.

2. Research one of aspect of the Stone Age such as Stonehenge, hunting and cave painting and create a sculpture or piece of artwork using materials such as card, paper and paints.

3. Identify physical evidence like tools, weapons, settlements or structures from the Stone Age.
4. Use text and pictures which tells you about **Skara Brae**.

I look forward to seeing your amazing projects by
Friday 11th October.

Or create your own idea related to The Stone Age.
