Our school vision

We are a Church of England school that values and recognises the uniqueness of each individual child and acknowledges their fundamental right to be educated to their full potential in a safe, secure and caring environment. Our ethos is built on Christian foundations and drives our belief that we can do all things.

Wardley CE Primary School is committed to continual improvement to ensure that what we do today is even better tomorrow. We provide a happy, secure and supportive learning environment where the children develop independence and work hard to make the most of their talents, and that 'We can do all things' within a deep and rich curriculum.

We can do all things through Christ who strengthens us. Phillipians 4:13

Practical ways in which we attempt to carry out our school vision

Through the Christian value of respect:

- Having strong ethics to underpin our decision making and actions.
- Creating an environment which promotes the Christian ethos of trust, respect and honesty to enable people to flourish.
- Promoting a sense of justice.
- Creating a strong moral purpose which underpins everything we do

Through the Christian value of friendship:

- Having an inclusive ethos to create a school in which everyone is welcome and everyone is equal.
- In celebrating diversity we value the strengths of all and embrace differences.
- Engaging stakeholders within and beyond the school.

Through the Christian value of trust:

- Having a strong sense of teamwork amongst all members of the school community.
- No matter how small, we value every contribution and support each other to reach our goals.
- In respecting each other, we strive to not let each other down.
- In feeling valued and empowered people have a desire to go the extra mile.

Through the Christian value of courage

- Recognising, supporting and developing everyone's potential.
- Nurturing skills and promoting opportunities.
- Creating an environment for people to think positively and take risks.

Through the Christian value of perseverance:

- Through continual enhancement we are constantly striving to achieve high standards, we never stand still.
- All improvements are underpinned with high aspirations.
- When problems arise, we must hold on to our vision and find solutions.
- We inspire and innovate and we support others to do the same.

Promoting British Values at Wardley

The DfE have recently reinforced the need “to create and enforce a clear and rigorous expectation on all schools to promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.”

The Government set out its definition of British values in the 2011 Prevent Strategy, and these values were reiterated in 2014. At Wardley CE Primary School these values are reinforced regularly and in the following ways:

Democracy

Democracy is embedded at the school. Children are always listened to by adults and are taught to listen carefully and with concern to each other, respecting the right of every individual to have their opinions and voices heard. Pupils also have the opportunity to air their opinions and ideas through our School Council and Ethos Committee.

The year six pupils all take on the role of senior pupils. Each term they take turns to be the lead senior pupils. In this role they take responsibility for leading school council assemblies. In these the senior pupils visit the classrooms and lead debate & discussion around key themes. The pupils have the chance to air their views and vote on decisions. The senior pupils then consider the responses and represent the pupil voice in school. This reflects our British electoral system and demonstrates democracy in action. The school council works not only to solve issues that the children raise but also have input into their curriculum and the standards of the school.

The Ethos Committee has five elected pupil representatives from the Year 2 class through to the Year 6 class. This again reflects our British electoral system and demonstrates democracy in action. The Ethos Committee meets on a termly basis to reflect on the way that the school vision and values are being lived out in our school. The Ethos Committee pupil representatives consult with their class about the school’s vision and values. They then bring the ideas to the Ethos Committee meetings where they consider the responses and represent the pupil voice in school.

The Rule of Law

The importance of Laws, whether they be those that govern the class, the school, or the country, are consistently reinforced throughout regular school days, as well as when dealing with behaviour and through school assemblies. Pupils are taught the value and reasons behind laws, that they govern and protect us, the responsibilities that this involves and the consequences when laws are broken. Visits from authorities such as the Police and Fire Service help reinforce this message.

Individual Liberty

Within school, pupils are actively encouraged to make choices, knowing that they are in a safe and supportive environment. As a school we educate and provide boundaries for young pupils to make choices safely, through provision of a safe environment and empowering education. Pupils are encouraged to know, understand and exercise their rights and personal freedoms and advised how to exercise these safely, for example through our E-Safety and PSHE lessons. Whether it be through choice of learning challenge, of how they record, of participation in our numerous extra-curricular clubs and opportunities, pupils are given the freedom to make choices.

Mutual Respect

Mutual respect is at the heart of our values. Children learn that their behaviours have an effect on their own rights and those of others. All members of the school community treat each other with respect. The children know and understand that it is expected and imperative that respect is shown to everyone, whatever differences we may have and to everything, however big or small.

Tolerance of Different Faiths and Beliefs

Salford is an area of great cultural diversity. However, the school population at Wardley is less diverse. Therefore we place a great emphasis on promoting diversity with the children. Activities are regularly planned to address this issue with the school actively looking to connect with settings that represent the rich cultural diversity within the United Kingdom and celebrating the children's own cultural heritage. Our RE and PSHE teaching reinforce this through the study of a variety of faiths and cultures. Members of different faiths or religions are encouraged to share

their knowledge to enhance learning within classes and the school. Children visit places of worship that are important to different faiths. Through this our children gain an enhanced understanding of their place in a culturally diverse society
