

Year 1

Autumn Term Two Homework Project

Christmas Decoration

In Religious Education, we are learning about how people celebrate special and sacred times. Therefore, the children are invited to make a Christmas decoration. **They can design it in any way they like!** I have included some ideas of what they could make below.

Tree decoration

Snow globe

Pinecone garland

I look forward to seeing your brilliant projects on **Monday 16th December.**

Or you could create your own super idea, as long as it is **related** to the topic.
