15.11.2024

It has been anti-bullying week in our school and the theme has been 'Make A Noise.' We have been really pleased with how well the children have engaged with all the activities, including the B-Tales production about bullying that the junior children watched. Odd socks day was lots of fun and reminded us all that it is good to be different and diversity should be celebrated. Our Y6 school counsellors talked to the infant and junior classes about bullying. They did a great job at looking at what bullying is and what the children must do if they felt someone was being bullied. Finally, they carried out a pupil safety survey with all the infant and junior classes. The results from this were really positive and showed how safe and supported our children feel in school. The school counsellors will be producing a newsletter all about the work that they have done this week and the results of the survey which will be posted on the school website.

Weekly Updates... Children In Need

A huge thank you for all your support to our Children In Need fundraising activities today. The children enjoyed their non-uniform day and so far we have raised £347 for this good cause. The winner of our Children In Need raffle was Angus who won Pudsey Bear.

Autumn Term Parents' Evening

The second of our autumn term parent evening meetings will take place this coming Monday on the 18th November. The parents and carers who are attending will have the chance to discuss how your child has settled into their new class with their class teacher. There will also be the opportunity to look at all their work from the year so far.

Sporting News

Tuesday night saw the first match of the season for our girls' football team. Their coach, Mr Houston, said that, 'It was inspiring to see how much enjoyment they each gained from playing, and to see how much determination and teamwork was on display. They played with great enthusiasm, showed remarkable skill, and most importantly, supported each other throughout the game. I couldn't be prouder of their efforts.

A big thank you to all the parents and carers for their support, and a huge thank you to those adults who donated/lent boots and shin pads. Your encouragement, whether on the side lines or at home, plays a huge part in their development. We are now part of a league - more games will be arranged for after Christmas. We look forward to what the rest of the season holds and are excited to see these young players continue to thrive.'

Reminders from the office

- It will be week 3 on the dinner menu next week
- You can still donate to Children in Need on the School Spider App
- If your child is diagnosed with a new medical condition, please let the office know immediately

Our Christian values and thoughtful time
