

## Year 4

### Spring Term One Homework Project The Vikings and the Anglo-Saxons

It is time to get creative year 4. I would like you to use materials that you have at home to create one of the following:

1. Make a model or drawing of a Viking or Anglo-Saxon farmer/warrior.

Or create your own idea as long as it is related to the Vikings and Anglo-Saxons.

2. Draw a map detailing where the Vikings first invaded Britain, their movements of invasion and why these were strategically chosen.
