

Year 4
Summer Term One Homework Project
Ancient Egypt

It is time to get creative year 4. I would like you to use materials that you have at home to make one of the following:

1. Make a model/drawing of an Egyptian pyramid.

Or create your own idea as long as it is related to Ancient Egypt.

2. Create a poster/model of the River Nile.

3. A poster/ drawing of your favourite Egyptian God or Goddess.
