20th April 2020

Dear Parents/Carers,

Re: Coronavirus update – Summer Term.

I hope you all had a restful Easter and welcome to our very first remote summer term!

We've all had to adapt to new ways of working, so I wanted to take the opportunity to say what an amazing job you're doing supporting your child's wellbeing and learning during this time.

It's definitely been a strange and challenging time, so it's okay if you and your child feel wobbly and worried at the moment. We're here for you every step of the way as we figure this all out together. Remember, if you have any concerns about helping your child learn or you need any other support from the school, please let us know by contacting your class teacher either via the webpage on the homework forum or by sending an email to the school office which they will forward to the teacher.

We miss the children very much, but we must follow the government's guidance to keep everyone in our community safe. So, we're carrying on with providing our school based care to support our vulnerable children and the children of our critical workers and our remote learning for the children who are at home.

But just because we're not all in the same building, doesn't mean we can't have some fun together! Your children will have lots of activities they can get stuck into over the summer term – so keep a close eye on the school website. Each day the class teachers will be posting activities for the children to do on the class page and the homework & discussion pages.

There are also lots of other online sources of support for the children's learning. Today the BBC have launched their own online daily lessons through their Bitesize pages. The link is here:

https://www.bbc.co.uk/bitesize/dailylessons?fbclid=IwAR1U4S8RSGtT-rAZXwXAVISGx5_fCX1A-CCK4mmQ455CV7vy1vKMimFByg

We also love seeing the children's fantastic learning at home – please keep sending their work in by uploading it on the homework page for the teachers to see.

The teachers will be giving individual feedback to the children on the homework activities that they upload. There is also the opportunity for pupils to talk online to their teachers by taking part in the class discussion tasks.

We can't say yet when we'll be able to open the school fully, but rest assured that we'll continue doing our utmost to keep your child learning and our school community connected.

Let's get cracking with our summer term!

Yours Sincerely,

Mark Foster,

Head teacher.
