Dear Parents/Carers,

Re: School Reopening Update.

I am sure that many of you will have watched the Prime Minister make his announcement last night regarding primary schools reopening to children in Reception, Year 1 and Year 6 from 1st June.

As much as we want to have our children back into school we need to ensure that we can do this safely. I am sure you have many questions but as yet I cannot answer them all.

I will be waiting for further information from the government about what reopening will look like for our school.

At the moment, for us in school, there is no change to the guidance. We will continue to provide care for those parents whose work is critical to the COVID-19 response and only those that cannot be safely cared for at home.

We will need clear guidance to plan how it is possible to social distance in schools and keep our children, teachers and families' safe; how we might start to phase groups of children returning and what this looks like.

As always, we will keep you fully informed and will provide you with further information in the coming days and weeks once we are able to do so. But for now, please try not to worry. Our plan for now is to continue to provide activities for learning at home, keep in contact with you, and continue to support each other in these very difficult and uncertain times.

Yours sincerely,
Mark Foster,
Head teacher.
