Dear Parents/Carers,

## Re: Spring Term Update 5

We have come to the end of the half-term and, we would like to say a huge well done to our children for all of the brilliant work that they have done over this term. We know that there have been many ups and downs, but we have been really impressed by their resilience and positivity throughout this difficult period. They are all stars.

We also really appreciate all the support that you have given the children and the school over the term. I cannot emphasize enough how much the staff appreciate your messages of support and positive feedback. We recognize how difficult the situation is for many families, and understand the challenges of juggling home schooling with all the other demands of family life and work. You might not have always felt like it but, you have done a fantastic job at managing it all.

### Welcome Back Mrs Flanagan

We are delighted to have Mrs Flanagan returning to school today from her maternity leave.

### Safer Internet Day

Safer Internet Day took place this week, and this year the event was more important than ever. It is clear that the children are living in an increasingly digital world and spending more and more time online at the moment. Therefore, it is vitally important that they are able to use the internet safely. We want children to have access to the tools they need to navigate modern life and stay safe online. The classes have all worked hard this week looking at these important themes, and this will continue as we move forwards with on-going work on safer internet use in curriculum areas such as Relationships, Sex and Health Education, Computing and PSHE.

### World Book Day

World Book Day will take place on Thursday 4<sup>th</sup> March this year. Over that week, we will be celebrating reading and looking at the joy that books can bring to us. If the children want to, they can dress up as a book character on World Book day. They will have the chance to share their costumes on the class Google Meets on Thursday 4<sup>th</sup> March.

### **Return to School**

At this point we do not know exactly what the roadmap for the full return to school looks like. The Prime Minister has said that he hopes it will be safe to commence the re-opening of schools from Monday 8 March. We are told that schools will be given at least two weeks' notice to prepare for a full return to face-to-face education for all pupils. We will update you on any further information around the return of pupils to school as soon as we receive it.

We very much look forward to getting all the children back as soon as it is possible and safe to do so. Until then, we will continue to support them as best we can through our remote learning. Please do keep letting us know how things are going.

As always, many thanks for your continued support during this challenging period.

Kind regards,

Mark Foster,

Headteacher.
